CONGREGATIONAL NEWS

STORING UP GOD'S WORD 16 verses in 16 weeks: The Bible calls us to store up God's Word in our hearts, to meditate upon it day and night, and to have it close to our lips. Through the Fall and early Winter, we'll have just the chance to memorize Scripture together as a congregation. We'll take a verse each week beginning after Labor Day and ending at Christmas. You can contribute to the verses we'll memorize by visiting the white board in the atrium and listing your favorite verses of scripture. See Pr. Paul for more details.

Wall of Remembrance

The south wall in the Prayer Garden has been designated as the site for the PMLC Memorial Wall of Remembrance. Brass plaques may be placed on the wall (around a base plaque containing scripture) to memorialize current and former partners, and those who have had a significant presence in our mission, who have passed away. A brochure containing complete details for this project, along with a participation form are available on the revolving oak literature rack next to the Welcome kiosk in the Narthex. KDO NEWS

By the time you read this, KDO has crossed another milestone, its 18th year. After one week of school, we encountered some tears for those unfamiliar to our program but much more excitement making connections with friends from last year and new ones this year.

Another milestone is the addition of the extended care program in the AM and PM. The program is helping many parents remain at work with the peace of mind that their children are safe and in a great environment.

What an amazing year we will have!

Looking for a part-time job..... college students or any one needing to make some extra money? KDO is looking for part-time help for our extended care program. The hours would be 2:00 pm to 5:30 pm. Anyone interested should contact Elizabeth Costales, 972-208-2424.

MISSIONS

Special Volunteer Positions with Journey of Hope!

Journey of Hope is a local organization that holds grief support groups for children and their families dealing with loss. In previous years, we've helped with providing meals for the gatherings. They are currently looking for volunteers to help out more fully in a couple of key positions. Pray about the opportunity to help this great organization! For each position, call Carla at 972-964-1600.

- 1) **Kitchen Host:** role of the host is to welcome volunteers preparing evening meals, help them find what they need at the kitchens of First United Methodist – Plano, help with operations, and assist in cleaning up after the meal. Availability needed 4 nights a month from 6-8pm.

- 2) **Facilitators** –these are individuals who facilitate the grief support groups for children, teens, and adults. Training will be provided for a \$35 fee. You co-facilitate with others before leading groups on your own. This hands-on training will equip you to lead others as they process their grief. While JOH deals with the most raw of human emotions, they bring children and families together in an atmosphere of compassion, understanding, and love—which in turn allows for laughter and joy.
