Are you willing to occasionally help out in a Sunday school class if needed?

Are you willing to occasionally help out w/ our monthly Yth Connection ?
Y N

On the 3rd Sunday of each month, we have our 11:00 family worship. This is when students and families participate in worship. Youth would be invited to read the Gospel Lesson that Sunday. Families also would need to be comfortable in coming forward and able to read the prayers they have been given. If this is something family would be interested in please indicate.

My youth is interested in reading for worship. Y N
